

# GEORGIA RENAL NUTRITION ASSOCIATION

Advancing Kidney Nutrition

## Message from the Chair...

Happy Summer! I hope you are finding time to enjoy being outdoors and spending time with your family and friends. Thank you to everyone who attended our 2nd Annual GRNA Meeting at Trees Atlanta in April. It was great networking with other Renal RDs and expanding our knowledge from our variety of speakers.

We are currently planning for our 2025 GRNA Meeting. Thank you for your suggestions on your evaluations from our 2024 meeting. Your feedback helps us plan for future meetings. If you would like to lend a hand with the planning of our next meeting please let me know. Planning this meeting takes manpower and dedication so please consider getting involved. My desire is to make our next meeting the best meeting we have ever had.

The NKF Kidney Walk will be on September 14th at Atlantic Station so please save the date and plan on being there so we can make our presence in the community known. We are still looking for someone to take the lead on our Community Services Committee. Our community needs us! Thank you for your membership.

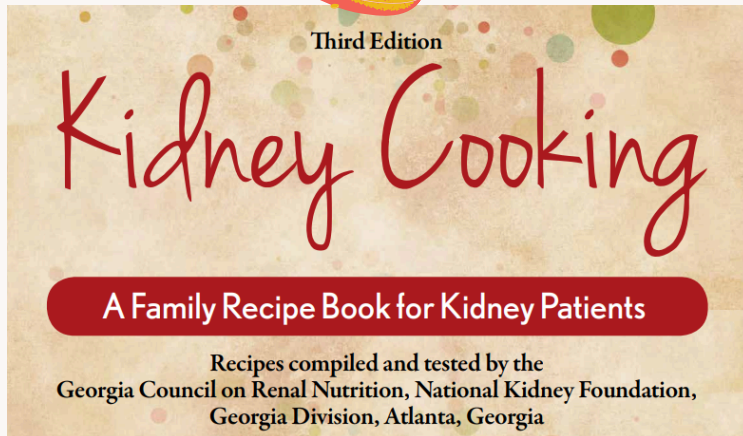

*Patti Scott, RDN, LD*

GRNA Chair 2024/2025
