

Message from the Chair....

Fall greetings!!

I hope you are enjoying the cooler weather and everything pumpkin spice.

The NKF Kidney Walk was held on September 14th at Atlantic Station. Thank you to Christine Benedetti and Ruba Jibreen for representing GRNA and helping our community with their renal questions.

Please save the date for our first every joint meeting with the Atlanta Dogwood Chapter of the American Nephrology Association (ANNA). The dinner meeting will be on Thursday, December 5th. The venue and time have not been determined yet. The title of the presentation will be, "A New Paradigm: Rethinking Hyperphosphatemia Management" sponsored by Ardelyx. No CEU will be provided for this presentation. Stay tuned for additional details.

We are also planning a virtual CEU program in December, "Highlights of NKF Spring Clinical Meeting 2024". More information is within the newsletter.

We are continuing to plan our 2025 Annual GRNA Meeting. If you would be interested in helping please let me know.

"Autumn is a second spring when every leaf is a flower." Albert Camus
